To: The Shareholders of Credit Bureau Asia Limited

Dear Sir/Madam

THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

1. INTRODUCTION

1.1 Annual General Meeting

Reference is made to the Notice of Annual General Meeting of Credit Bureau Asia Limited (the "**Company**") dated 4 April 2025 convening the AGM of the Company and Ordinary Resolution 8 in relation to the proposed renewal of the Share Purchase Mandate, under the heading "Special Business" set out in the Notice.

1.2 Purpose of this Circular

The purpose of this Circular is to provide the Shareholders with details in respect of the proposed renewal of the Share Purchase Mandate so as to seek Shareholders' approval of the same at the AGM.

SGX-ST takes no responsibility for the accuracy of any statement or opinion made in this Circular.

2. THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

2.1 Background

The Companies Act allows a Singapore-incorporated company to purchase or otherwise acquire its issued ordinary shares, stocks and preference shares if the purchase or acquisition is permitted under the Constitution. Any purchase or acquisition of Shares by the Company would have to be made in accordance with, and in the manner prescribed by, the Companies Act and the Listing Manual and such other laws and regulations as may for the time being be applicable. The Company is also required to comply with Part XIII of Chapter 8 of the Listing Manual, which relates to the purchase or acquisition by an issuer of its own shares.

CIRCULAR TO SHAREHOLDERS

It is a requirement under the Companies Act and the Listing Manual that a company which wishes to purchase or otherwise acquire its own shares should obtain approval of its shareholders to do so at a general meeting. Accordingly, the Company is seeking approval from Shareholders at the AGM for the proposed renewal of the Share Purchase Mandate.

If approved by Shareholders at the AGM, the authority conferred by the Share Purchase Mandate will continue to be in force until the next AGM of the Company (whereupon it will lapse, unless renewed at such meeting) or until it is varied or revoked by the Company in general meeting (if so varied or revoked prior to the next AGM).

2.2 Rationale for the Share Purchase Mandate

The Share Purchase Mandate would give the Company the flexibility to undertake purchases of the Shares at any time, subject to market conditions, during the period when the Share Purchase Mandate is in force. A Share Purchase at the appropriate price level is one of the ways through which the return on equity of the Group may be enhanced. Further, amongst others, a Share Purchase provides the Company with a mechanism to facilitate the return of surplus cash over and above its ordinary capital requirements in an expedient and cost-efficient manner. Share Purchases will also allow the Directors greater control over the Company's share capital structure, dividend payout and cash reserves. Where Shares purchased by the Company are held as treasury shares, the Company may transfer such treasury shares to employees for the purposes of or pursuant to an employees' share scheme.

The purchase of Shares may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the EPS and/or NTA per Share of the Company and the Group.

Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Purchase Mandate will only be made when the Directors believe that such purchases or acquisitions would benefit the Company and its Shareholders and would not have a material adverse effect on the financial position of the Company.

2.3 Terms of the Share Purchase Mandate

The authority and limitations placed on purchases and acquisitions of Shares by the Company under the Share Purchase Mandate are summarised below:

(a) Maximum number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company.

The total number of Shares that may be purchased or acquired under the Share Purchase Mandate is limited to that number of Shares representing not more than 10% of the issued Shares (excluding treasury shares and subsidiary holdings), ascertained as at the date of the AGM at which the Share Purchase Mandate is approved ("**Approval Date**"), unless the Company has effected a reduction of the share capital of the Company in accordance with the applicable provisions of the Companies Act. For purposes of calculating the percentage of issued Shares above, any of the Shares which are held as treasury shares or any subsidiary holdings will be disregarded.

CIRCULAR TO SHAREHOLDERS

As at the Latest Practicable Date, the existing issued Shares of the Company is 230,390,000 Shares. For illustrative purposes only, on the basis that 230,390,000 Shares are in issue at the Approval Date, the Company may acquire not more than 23,039,000 Shares (representing 10% of the Shares in issue as at the Approval Date) pursuant to the proposed Share Purchase Mandate.

As at the Latest Practicable Date, the Company is not holding any Shares as treasury shares and there are no subsidiary holdings of the Shares.

(b) Duration of authority

Purchases or acquisitions of Shares may be made, at any time and from time to time, from the Approval Date up to the earlier of:

- (i) the date on which the next AGM of the Company is held or required by law or the Constitution to be held;
- (ii) the date on which the authority contained in the Share Purchase Mandate is varied or revoked by the Shareholders in a general meeting; or
- (iii) the date on which the Share Purchase is carried out to the full extent mandated.

The Share Purchase Mandate may be renewed at each AGM or other general meeting of the Company.

(c) Manner of purchases or acquisitions of Shares

Purchases or acquisitions of Shares may be made by way of, *inter alia*:

- (i) on-market purchases ("**Market Purchase**"), transacted on the SGX-ST through the ready market or, as the case may be, any other stock exchange on which the Shares may for the time being be listed and quoted, through one or more duly licensed stockbrokers appointed by the Company for the purpose; and/or
- (ii) off-market purchases ("**Off-Market Purchase**") effected pursuant to an equal access scheme.

Purchases made in connection with or in relation to any equal access scheme(s) maybe subject to such terms and conditions as the Directors deem fit in the interests of the Company, which are consistent with the Share Purchase Mandate, the Listing Manual and the Companies Act.

CIRCULAR TO SHAREHOLDERS

Under the Companies Act, an equal access scheme must satisfy all the following conditions:

- (i) offers for the purchase of Shares shall be made to every person who holds Shares to purchase the same percentage of their Shares;
- (ii) all of those persons shall be given a reasonable opportunity to accept the offers made; and
- (iii) the terms of the offers are the same, except that:
 - (a) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements;
 - (b) (if applicable) differences in consideration attributable to the fact that offers relate to Shares with different amounts remaining unpaid; and
 - (c) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares,shall be disregarded.

In addition, in accordance with the Listing Manual, in making an Off-Market Purchase, the Company must issue an offer document to all Shareholders which must contain at least the following information:

- (i) the terms and conditions of the offer;
- (ii) the period and procedures for acceptances;
- (iii) the reasons for the proposed Share Purchase;
- (iv) the consequences, if any, of Share Purchases by the Company that will arise under the Take-over Code or other applicable takeover rules;
- (v) whether the Share Purchase, if made, would have any effect on the listing of the Shares on the SGX-ST;
- (vi) details of any Share Purchases (whether Market Purchases or Off-Market Purchases in accordance with an equal access scheme) made by the Company in the previous 12 months, giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases; and
- (vii) whether the Shares purchased by the Company will be cancelled or kept as treasury shares.

CIRCULAR TO SHAREHOLDERS

(d) Maximum purchase price

The purchase price (excluding brokerage, stamp duties, applicable goods and services tax and other related expenses) to be paid for the Shares will be determined by the Directors.

The maximum purchase price (the "**Maximum Price**") to be paid for a Share as determined by the Directors must not exceed:

- (i) in the case of a Market Purchase, 105% of the Average Closing Price of the Shares; and
- (ii) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120% of the Average Closing Price of the Shares.

(e) No Purchases during Certain Periods

The Company will not undertake any purchase or acquisition of Shares pursuant to the Share Purchase Mandate at any time after any matter or development of a price-sensitive nature has occurred or has been the subject of consideration and/or a decision of the Board until such price-sensitive information has been publicly announced.

No purchases pursuant to the Share Purchase Mandate will be carried out during the period commencing one month before the announcement of the Company's half-year and full year financial statements.

2.4 Status of Purchased Shares under the Share Purchase Mandate

Any Share purchased or acquired by the Company is deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Share will expire on such cancellation) unless such Share is held by the Company as a treasury share in accordance with the Companies Act. Accordingly, the total number of issued Shares will diminish by the number of Shares purchased or acquired by the Company and which are not held as treasury shares.

All Shares purchased or acquired by the Company (other than treasury shares held by the Company to the extent permitted under the Companies Act) will be automatically delisted by the SGX-ST, and (where applicable) all certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following settlement of any such purchase or acquisition.

The Company may decide to cancel Shares which have been purchased by the Company or hold such Shares as treasury shares, depending on whether it is in the interests of the Company to do so.

CIRCULAR TO SHAREHOLDERS

2.5 Treasury Shares

Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act are summarized below:

(a) Maximum Holdings

The number of Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares.

(b) Voting and Other Rights

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. Also, a subdivision or consolidation of any treasury share into treasury shares of a smaller amount is allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

(c) Disposal and Cancellation

Where Shares are held as treasury shares, the Company may at any time:

- (i) sell the treasury shares for cash;
- (ii) transfer the treasury shares for the purposes of or pursuant to an employees' share scheme;
- (iii) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (iv) cancel the treasury shares; or
- (v) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

In addition, under the Listing Manual, an immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares. Such announcement must include details as set out in Rule 704(28) such as the date of the sale, transfer, cancellation and/or use of such treasury shares, the purpose of such sale, transfer, cancellation and/or use, the number of treasury shares before and after such sale, transfer, cancellation and/or use, the percentage of the number of treasury shares against the total number of issued Shares (of the same class as the treasury shares) which are listed before and after such sale, transfer, cancellation and/or use.

CIRCULAR TO SHAREHOLDERS

2.6 Source of Funds for Share Purchase

In purchasing Shares under the Share Purchase Mandate, the Company may only apply funds legally available for such purchase in accordance with its Constitution, and the applicable laws in Singapore. The purchase of Shares by the Company may be made out of the Company's profits or capital so long as the Company is solvent.

When Shares are purchased or acquired, and cancelled:

- (a) if the Shares are purchased or acquired entirely out of the capital of the Company, the Company shall reduce the amount of its share capital by the total amount of the purchase price paid by the Company for the Shares (excluding brokerage, stamp duties, applicable goods and services tax, clearance fees and other related expenses) (the "**Purchase Price**");
- (b) if the Shares are purchased or acquired entirely out of profits of the Company, the Company shall reduce the amount of its profits available for the distribution of cash dividends by the total amount of the Purchase Price; or
- (c) where the Shares are purchased or acquired out of both the capital and the profits of the Company, the Company shall reduce the amount of its share capital and profits available for the distribution of cash dividends proportionately by the total amount of the Purchase Price.

The Company may use internal resources or external borrowings to fund purchases of Shares pursuant to the Share Purchase Mandate.

The Directors do not propose to exercise the Share Purchase Mandate in a manner and to such extent that the liquidity and capital of the Group would be materially adversely affected. The purchase of the Shares will only be effected after considering relevant factors such as the working capital requirement, availability of financial resources, the expansion and investment plans of the Group, and the prevailing market conditions.

2.7 Financial Effects of the Share Purchase Mandate

The below financial effects on the Company and the Group arising from the purchases or acquisitions of Shares which may be made pursuant to the proposed Share Purchase Mandate will depend on, among others, the aggregate number of Shares purchased or acquired, the consideration paid at the relevant time, and whether the Shares purchased or acquired are held in treasury or cancelled. It is therefore not possible for the Company to realistically calculate or quantify the impact on the financial effects of purchases that may be made pursuant to the Share Purchase Mandate. Additional factors include the amount (if any) borrowed by the Company to fund the purchases, and whether the purchase or acquisition is made out of profits or capital. The purchase price paid by the Company for the Shares (excluding brokerage, stamp duties, applicable goods and services tax and other related expenses) will correspondingly reduce the amount available for the distribution of cash dividends by the Company.

CIRCULAR TO SHAREHOLDERS

The illustrative financial effects on the Group and the Company, based on the audited financial statements of the Group and the Company for the financial year ended 31 December 2024, are based on the assumptions set out below.

(a) Information as at the Latest Practicable Date

As at the Latest Practicable Date, the issued Shares of the Company comprised 230,390,000 Shares (excluding any treasury shares and subsidiary holdings).

On the basis of 230,390,000 Shares (excluding any treasury shares and subsidiary holdings) in issue as at the Latest Practicable Date and assuming no further Shares are issued on or prior to the AGM, the purchase by the Company of 10% of its issued Shares (excluding any treasury shares and subsidiary holdings) will result in the purchase of 23,039,000 Shares.

(b) Maximum Purchase Price Paid for Shares Purchased

In the case of Market Purchases by the Company and assuming that the Company purchases or acquires 23,039,000 Shares at the Maximum Price of S\$1.292 for each Share (being the price equivalent to 105% of the Average Closing Price of the Shares for the five (5) consecutive Market Days on which the Shares were traded on the Official List of the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 23,039,000 Shares is approximately S\$29.77 million.

In the case of Off-Market Purchases by the Company and assuming that the Company purchases or acquires 23,039,000 Shares at the Maximum Price of S\$1.476 for each Share (being the price equivalent to 120% of the Average Closing Price of the Shares for the five (5) consecutive Market Days on which the Shares were traded on the Official List of the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 23,039,000 Shares is approximately S\$34.01 million.

(c) Illustrative Financial Effects

For illustrative purposes only and on the basis of the assumptions set out above as well as the following:

- (i) the Share Purchase Mandate had been effective from 1 January 2024;
- (ii) such Share purchases are funded solely by internal cash of the Group;
- (iii) the Company had on 1 January 2024 purchased 23,039,000 Shares (representing 10% of its issued Shares as at the Latest Practicable Date) at the Maximum Price of S\$1.292 for each Share (being 105% of the average of the closing market prices of the Shares over the last five Market Days, on which Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date); and
- (iv) transaction costs incurred during the Share Purchase pursuant to the Share Purchase Mandate are assumed to be insignificant and have thus been ignored for the purpose of computing the financial effects;

In addition, the Company may cancel, or hold as treasury shares, all or part of the Shares purchased or acquired. The Company will take into account both financial and non-financial factors (for

CIRCULAR TO SHAREHOLDERS

example, stock market conditions and the performance of the Shares) in assessing the relative impact of a purchase before execution.

2.8 Listing Status of the Shares

The Listing Manual requires the Company to ensure that at least 10% of the total number of Shares is held by public Shareholders. The "public", as defined in the Listing Manual, refers to persons other than the directors, chief executive officer, substantial shareholders or controlling shareholders of a listed company and its subsidiaries, as well as associates (as defined in the Listing Manual) of such persons.

As at the Latest Practicable Date, approximately 24.8% of the issued Shares of the Company are held in the hands of the public. Assuming that the Company repurchased the maximum of 10% of its issued Shares as at the Latest Practicable Date from members of the public by way of a Market Purchase, the percentage of Shares held by the public would be reduced to approximately 16.5%.

The Directors will use their best efforts to ensure that the Company does not effect purchase of Shares if the purchase of Shares would result in the number of Shares remaining in the hands of the public falling to such a level as to cause market illiquidity or adversely affect the listing status of the Company. As far as the Company is aware, the Share Purchase Mandate will not adversely affect the orderly trading of the Shares and the listing status of the Company.

2.9 Reporting Requirements

In accordance with the Listing Manual, the Company shall notify the SGX-ST of any purchase or acquisition of Shares under the proposed Share Purchase Mandate as follows:

- (a) in the case of a Market Purchase, by 9.00 a.m. on the Market Day following the day of purchase of the Shares; and
- (b) in the case of an Off-Market Purchase under an equal access scheme, by 9.00 a.m. on the second Market Day after the close of acceptances of an offer under such scheme.

The announcement (in the form prescribed under the Listing Manual) shall include, among others, details of the maximum number of Shares authorized for purchase, the date of purchase, the total number of Shares purchased, the number of Shares cancelled, the number of Shares held as treasury shares, the purchase price per Share or the highest and lowest prices paid for such Shares (as applicable), the total consideration (including stamp duties, brokerage and clearing charges, and other related expenses) paid or payable for the Shares, the cumulative number of Shares purchased to date, the number of issued Shares excluding treasury shares and subsidiary holdings after the purchase, the number of treasury shares held after the purchase and the number of subsidiary holdings after the purchase.

2.10 Take-Over Obligations

- (a) Obligation to make a Take-over Offer

Pursuant to the Take-over Code, an increase of a Shareholder's proportionate interest in the voting rights of the Company resulting from a share purchase by the Company will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code ("**Rule 14**").

CIRCULAR TO SHAREHOLDERS

Under Rule 14, a Shareholder and persons acting in concert with the Shareholder will incur an obligation to make a mandatory take-over offer if, among other things, he and persons acting in concert with him increase their voting rights in the Company to 30% or more or, if they, together holding between 30% and 50% of the Company's voting rights, increase their voting rights in the Company by more than 1% in any period of six (6) months.

(b) Persons Acting in Concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), cooperate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company.

Unless the contrary is established, the following persons will, among other things, be presumed to be acting in concert:

- (i) A company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts);
- (ii) A company with its parent company, subsidiaries, its fellow subsidiaries, any associated companies of the above companies, and any company whose associated companies include any of the above companies, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the aforesaid persons for the purchase of voting rights. For this purpose, a company is an associated company of another company if the second company owns or controls at least 20% but not more than 50% of the voting rights of the first-mentioned company;
- (iii) A company with any of its pension funds and employee share schemes;
- (iv) A person with any investment company, unit trust or other fund in respect of the investment account which such person manages on a discretionary basis;
- (v) A financial or other professional adviser, with its clients in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser and all the funds which the adviser manages on a discretionary basis, where the shareholding of the adviser and any of those funds in the client total 10% or more of the client's equity share capital;
- (vi) Directors of a company, together with their close relatives, related trusts and companies controlled by any of them, which is subject to an offer where they have reason to believe a bona fide offer for their company may be imminent;
- (vii) Partners; and
- (viii) An individual, his close relatives, his related trusts, and any person who is accustomed to act according to the instructions and companies controlled by any of the above and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the aforesaid persons for the purchase of voting rights.

LETTER TO SHAREHOLDERS

The circumstances under which Shareholders of the Company (including Directors of the Company) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

(c) Effect of Rule 14 and Appendix 2 of the Take-over Code

In general terms, the effect of Rule 14 and Appendix 2 is that, unless exempted, Directors of the Company and persons acting in concert with them will incur an obligation to make a take-over offer for the Company under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or if the voting rights of such Directors and their concert parties fall between 30% and 50% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six (6) months.

Under Appendix 2, a Shareholder not acting in concert with the Directors of the Company will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder in the Company would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six (6) months. Such Shareholder need not abstain from voting in respect of the resolution authorizing the Share Purchase Mandate.

Based on the interests of the Substantial Shareholders as recorded in the register of substantial shareholders as at the Latest Practicable Date, none of the Substantial Shareholders would be obliged to make a take-over offer for the Company under Rule 14 of the Take-over Code as a result of the purchase by the Company of the maximum limit of 10% of its issued Shares as at the Latest Practicable Date.

The Directors are not aware of any other Substantial Shareholder or Director who may become obligated to make a mandatory offer in the event that the Company purchases the maximum number of Shares under the Share Purchase Mandate.

The statements in this Circular do not purport to be a comprehensive or exhaustive description of all implications that may arise under the Take-over Code. Shareholders who are in doubt as to their obligations, if any, to make a mandatory take-over offer under the Take-over Code as a result of any purchase or acquisition of Shares by the Company should consult the Securities Industry Council and/or their professional advisers at the earliest opportunity.
